

How Can I Get Involved?

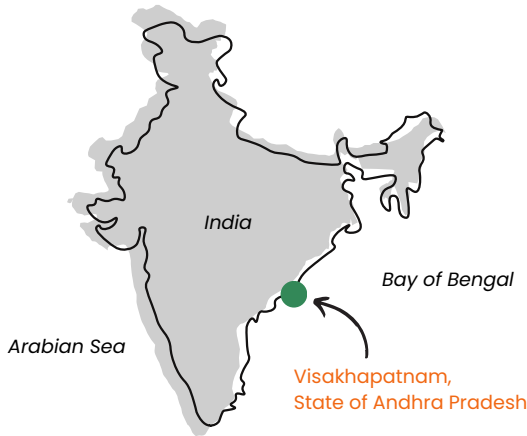

**CHRIST FOR INDIA**

## Who Are We?

**Christ For India** is a nonprofit organization, supporting a ministry's campus in **Visakhapatnam**, and led by Rev. Jameson P. Titus.

His parents **Apostle Dr. P.J. & Mrs. Mary Titus** founded the **ministry in 1981** when they sold their house in the United States and moved back to India.

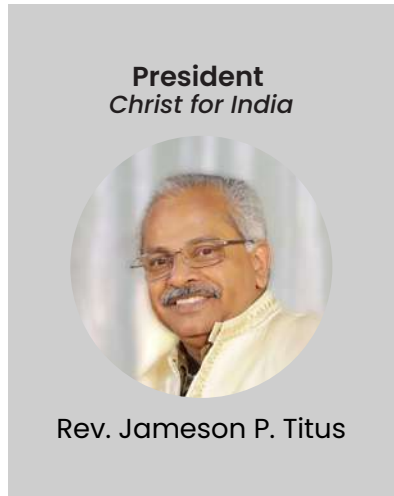

*Christ For India* began with one vision: **Reaching One Billion Souls For Christ.**

In addition to **spreading the Gospel**, Dr. & Mrs. Titus were concerned about **orphaned and poor children in India.**

Over the years, **the ministry campus expanded** and today, under the leadership of Rev. Jameson P. Titus, the campus houses:

- Nava Jeevan Children's Home
- Nava Jeevan Institution
- COTR College of Ministries
- New Testament Churches of India
- Farm & Dairy

# TO SUPPORT OUR MINISTRY, YOU CAN BE INVOLVED IN MANY WAYS!

## Praying

Become a **prayer partner** for CFI and **connect with us**. We need **prayer covering for the work in India!**

We believe in the **power of prayer**. For over 41 years, our children and students pray each morning for our needs and God answers the prayers. He is a Faithful God!

## Sponsoring-Giving

CFI has a **sponsorship program** for children, seminary students, and native pastors. You can **provide meals, lodging, education, and healthcare**.

You can also **give offerings** and **participate in our development projects** in the ministry (purchase Bibles, school supplies...) and/or **provide humanitarian aid** (medical supplies, dental care, rice, cooking pots...).

## Inviting Jameson-CFI board

If you would like a **representative to come to your small group, church, or business** to share about opportunities to serve, Jameson and the CFI board will be happy to come speak, preach, and share to your group!

## Going to India

We invite and welcome you to come and **serve on a short term vision trip** at our campus in India!

It's time to **come and see first-hand what you are invested in!**

Visit the village church plants; lecture in our seminary; teach in our school or children's home...
