CHRIST FOR INDIA

Who Are We?

Christ For India is a nonprofit organization, supporting a ministry's campus in **Visakhapatnam**, and led by Rev. Jameson P. Titus.

His parents **Apostle Dr. P.J. & Mrs. Mary Titus** founded the **ministry in 1981** when they sold their house in the United States and moved back to India.

Christ For India began with one vision: **Reaching One Billion Plus Souls For Christ.**

Under the leadership of Rev. Jameson P. Titus, the ministry continues to include **a Children's Home, a Public School, an accredited College & Seminary**, a farm, dairy and **nation-wide church planting network in India.**

How Can You Get Involved?

Our efforts today focus on providing **food, clothing, shelter, education and healthcare** for children, seminary students and providing food and lodging for native pastors with their families.
